

ALUMINUM RINGS

MARKET RELEASE DATE:
May 2017

Our handsomely styled 100% aircraft aluminum alloy rings can be detached and removed with a coin. Our bases are precision fit and won't move under heavy recoil, and our mounting screws are stronger than traditional weaver style rings.

- » Matte Finish
- » Made of 100% aircraft grade aluminum alloy
- » Easy to detach with a coin
- » Angle-Loc clamping system
- » Rock solid & detachable
