

RINGS AND BASES

MARKET RELEASE DATE:
January 2016

TS00721

Quality materials and craftsmanship don't have to come at a high price. Tasco® rings and bases are made from aircraft-quality, heat-treated T6 aluminum. The weaver- and picatinny-style rings and bases are designed to fit a wide variety of rifles and riflescopes, and are an ideal fit for new and budget-conscious shooters alike.

- » Quality rings and bases
- » Lightweight, aircraft-quality heat-treated T6 aluminum
- » Affordable price
